On 11 June 2024, the Norwegian Seafood Council will host the Salmon Conference at Scandic Hotel Norway in Bergen!

Conference Information

We look forward to gathering the salmon industry for the Salmon Conference 2024! There will be exciting lectures, and we end the day with a salmon pub. The program will be updated continuously here.

You can also follow the conference digitally.

Registration starts at 10:30 and lunch will be served between 11:00 - 12:00. The

conference starts at 12:00 and lasts until 16:00. After

the academic program, there will be a "salmon pub" at the hotel with light dining and mingling.

Laksekonferansen 2024

Theme of the conference:

- The market situation for salmon
- What is being done to improve fish welfare
- Different cases of production improvements
